To the townspeople of Mason

who believe in a fair deal for all concerned, the above report is respectfully submitted by a majority of your Board of Selectmen for the fiscal year ending Feb. 15, 1913.

Owing to the neglect and refusal of Mr. D. S. Crockett to attend to the duties of chairman, the board was compelled to elect a new chairman to expedite the transaction of town business.

Owing to interference of State Tax Commission in assessment, considerable time and expense was incurred for travel and counsel fees.

In the matter of State highway, the majority of your board, acting with the committee chosen by the town, selected and reported on site to Governor and Council, and constructed over 800 feet of highway, which we trust will be a credit to the town. Here again opposition was encountered which caused additional expense.

Respectfully submitted,

EDWARD H. RUSSELL,

ARTHUR E. SEARS,

Selectmen of Mason

Report

The subscribers who were appointed a committee to construct and place in the earliest cemetery in Mason an appropriate memorial tablet or monument, to the unepitaphed dead now resting there, have completed the pleasant service to us committed.

We trust that our fellow-townsmen and all others interested, will, in a large degree be satisfied with what has been done to fulfil a long delayed duty, in their bestowing some tribute of honor and reverence to these noble ancestors, and keep them in perpetual remembrance.

With respect, mutual interests and regards this report is rendered.
